

MARK ANGELO A. ISULAT

Multimedia Designer / UI-UX & Brand Designer

Antipolo City, Philippines | 0948-679-3481 | markyisulat@gmail.com | markyisulat.vercel.app | github.com/markPie29

PROFESSIONAL SUMMARY

Multimedia Designer and UI/UX Designer (brand: Marked Media) with 3+ years of experience across graphic design, brand identity, social media content, and video editing, alongside a working front-end development background that gives every design a practical sense of how it will actually be built. Delivered brand identity systems, publication materials, and social campaigns for cafes, nonprofits, apparel brands, and university organizations. Comfortable owning a project end-to-end — from concept and client communication through final delivery — across Adobe Photoshop, Illustrator, Figma, and Canva.

DESIGN & CREATIVE SKILLS

UI/UX & Prototyping: Figma, Responsive Design Systems, Wireframing, Web & Mobile Interface Design

Graphic Design & Branding: Adobe Photoshop, Adobe Illustrator, Canva, Logo & Brand Identity Systems

Print & Publication: Apparel/Shirt Design, Promotional Graphics, Posters & Pubmats, Photo Manipulation

Video & Motion: CapCut, Short-Form Video Editing, Simple Motion Graphics

Social Media: Content Planning & Scheduling, Trend Research, Audience Engagement, Brand Visibility Strategy

Supporting Technical Skills: React, Tailwind CSS, HTML/CSS — enough front-end fluency to design realistic, build-ready interfaces

PROFESSIONAL EXPERIENCE

Project-Based Virtual Assistant & Content Strategist — *Marketing Hive*

2024 – Present | Adobe Photoshop, Canva, CapCut, Figma

- Designed high-converting graphic assets and edited short-form promotional videos for digital marketing campaigns across platforms.
- Managed social media operations including content planning, scheduling, audience engagement support, and market research.
- Conducted trend analysis to boost audience reach, interaction metrics, and brand visibility for international clients.
- Maintained consistent visual identity and high asset quality while delivering on tight operational deadlines.

Freelance Multimedia Designer & Web Developer — *Independent Freelance Work*

2024 – Present | Figma, Adobe Photoshop, Adobe Illustrator, Canva, CapCut

- Delivered publication materials, visual branding packages, promotional graphics, and UI/UX concepts for diverse clients.
- Translated client requirements into high-impact digital products and user-centered designs.
- Collaborated directly with business owners and organizations to execute design roadmaps.
- Managed end-to-end client communications, project scopes, and delivery timelines independently.

Multimedia Designer & Developer Trainee — *AP Global IT Solutions Inc.*

2023 | Canva, Figma, CapCut

- Produced visual and digital marketing assets for corporate branding and client-facing materials.
- Balanced technical frontend implementation with creative design execution in a fast-paced environment.

SELECTED PROJECTS

Hope For Angels — Rebranding Campaign
